

## GIFTS OF SECURITIES AVOID CAPITAL GAINS TAX AND RECEIVE A CHARITABLE DEDUCTION

Thank you for considering a gift of securities to Children’s Day School!

Gifts of publicly traded securities that have appreciated in value allow you to avoid capital gains taxes while also receiving a tax deduction for your gift.\* Capital gains taxes on the stock are avoided and you will be eligible to receive an income tax charitable deduction for the full fair market value of the stock at the time of the gift. CDS benefits by selling the stock without paying taxes on the gain, and you benefit from making a contribution that would be larger than what you might have been able to donate in cash. To qualify for these tax advantages, the security must have been held for at least one year.

### Here are the benefits:

- You receive credit and an immediate tax deduction for the fair market value of your stock gift on the date it was transferred to Children’s Day School. (Consult your tax advisor regarding limitations on deductions for gifts of securities held for less than one year.)
- You pay no capital gains tax on the donated stock.
- If you own stock that is now worth less than when you bought it, consult your tax advisor about the possible advantages of selling the stock yourself, donating the proceeds to CDS, and claiming a capital loss on your tax return.
- You will make an impact at CDS and help us further our mission today!
